PUBLIC HEARING:

Recommendation to Deny Massage Technician Business License,
I.D. # 130682
Tian Jing Jiang
512 N. Nicholson Ave., #12
Monterey Park First District

After President Afriat advised Mr. Jiang of his right to representation, the applicant indicated he would like to proceed with the hearing.

Arlene Cox, LASD license investigator, explained that LASD recommends denial of the applicant's license because of his conviction on July 12, 2001 on the charge of 647b, soliciting prostitution. She then described the sting operation which led to his arrest, noting he was sentenced to 2 years probation and 3 days jail. She noted that was the only conviction on his record. She also noted that the location he was applying for the license was not a licensed massage parlor.

The applicant then gave background on his employment history and described the sting operation, emphasizing that he was inquiring about renting a room at a hotel rather than soliciting a prostitute. He asserted that he was innocent of the charge but pled guilty to the charge because the judge was concerned he had talked to the jury outside the courtroom.

Sergeant Mark Stevens, LASD, provided information from the police report leading to

his arrest and asserted that the applicant was convicted in court and sentenced to probation.

The Commission closed the public hearing at 9:51 a.m.

Commissioner Robledo spoke on the problem of prostitution in the First District.

ACTION TAKEN: The Commission upheld the recommendation to deny the above license.

Motion: Commissioner Robledo, seconded by President Afriat

Vote: Unanimously carried

ADJOURNMENT: The Commission adjourned at 9:57 a.m.

Renee Campbell
Vice President
